Dear Paul:

The registration of Scouter Jim "J.W." Wade has been suspended. Notice of this action was hand-delivered and read to Mr. Wade at a meeting on Wednesday, November 26, 1980. A copy of the letter read is attached.

Present at the meeting was Co-Chairman of Billy Bowlegs District Rev. Robert W. Turner, District Scout Executive George T. Brigham and myself.

This action came as a result of a concerned mother requesting that I obtain some information regarding the background of Mr. Wade. She had no formal allegations to make whatsoever. But she was concerned.

I wrote to Loren A. Swenson, Scout Executive of Pike's Peak Council in Colorado Springs. A copy of his reply and accompanying news releases are attached.

The meeting with Mr. Wade was uneventful. I simply told him that information had come to our attention which made it necessary for us to appoint a new advisor to the Order of the Arrow in Charlotte County and in addition, I had a letter to read to him from the Southwest Florida Council. I then read him the letter and presented him with a check for \$5.00, telling him this was a refund for his registration fee. I also told him that he would understand the reason which necessitated this decision and that we regretted having to make it. I asked him if he had any questions and he said, "no", and I said, "there is no need for further discussion. This meeting is adjourned." He promptly stood up and quietly left the room.

I would like to personally thank you for the good job you did in developing the Standards for Maintaining Leadership booklet. Without this valuable tool such unpleasant tasks could be even more unbearable. Your assistance is very much appreciated.

Sincerely,

Dear Paul:

The attached materials concerning James W. Wade, formerly registered in the Pikes Peak Council, and currently residing in Port Charlotte, Florida, are submitted to your office to facilitate blockage of any further attempt by him to register as an adult Scouter.

The materials will provide the sequence of action since receiving Randall Beaver's letter of inquiry.

The "record sheet" I have enclosed is sparse. No one here really knew him, and he moved 12-18 months ago. Physical attributes cannot be recalled; however, the verification by birthdate was absolutely unequivocal.

Randall Beaver can possibly provide Religion, Nationality, Occupation, Education, etc. if it is needed, but I hope you'll cut him off right now.

Sincerely,
Pikes Peak Council, BSA

Re: Jim J. W. Wade

Dear Randy:

This is in response to your letter of November 11th, concerning Jim J.W. Wade. We do not keep registration records in this office alphabetically, so it is very difficult for us to check to determine if someone has previously been registered.

We would suggest that you write directly to the Pike's Peak Council whose address is as follows: 525 E. Uintah, Colorado Springs, CO. 80903. I am sure they will give you any information which they have in their files.

We have checked our confidential file and do not find this individual's name to be listed. This means that we would register him if he was sent to us through normal channels.

Dear Paul:

Scouter Jim "J.W." Wade has recently registered in our council as OA Chapter Advisor. He claims to have been registered in Pike's Peak Council #60, Colorado Springs, Colorado, as SM, SA, EA, SK, CC and OA Lodge Advisor.

Could you verify for me that he was in fact a Scouter in that council or any other and tell me if any reports of special problems or undesirable behavior have come to your attention? Any comments you make will be kept in strictest confidence.

The chairman of the troop with which J.W. is associated has expressed a serious concern about our lack of knowledge of his past. No specific allegations have been made.

Because of the urgency in the request of our troop chairman, I am especially anxious to get any information available. A speedy reply would be very much appreciated.

Many thanks for your assistance.

Drug Charges on

Chief Deputy District Attorney Milt Blakely said he had determined that Hyde "was not personally involved in drug dealing" at the establishment. Hyde had not been charged with anything except the nuisance complaint.

Another defendant, Bruce Sherman, earlier was freed from charges. That leaves the other operator, John Cunningham, plus Gary Monteleone and Steve Knight still charged with offenses ranging from sale of narcotic drugs to inducing others to use drugs.

Authorities alleged at the time the case was filed that the audio library had been used regularly for trafficking of marijuana and cocaine.

Sex Solicitation Charge Filed

A Boy Scout leader who allegedly offered his troop members money to engage in sexual activities with him was charged Tuesday in District Court with two counts of criminal solicitation and one count of solicitation for prostitution.

Jimmie Wade, 40, 7150 Stowe Circle, was arrested after parents of three boys aged 13, 14 and 17 complained their sons received letters offering them money for sex, or to pose nude.

The alleged incidents occurred between Jan. 18 and 24.

Man charged in soliciting teen-age boys

A 40-year-old man was charged Tuesday with soliciting three teen-age boys to perform acts of sodomy with him.

Charges of criminal solicitation and solicitation for prostitution were filed in Fourth Judicial District Court against Jimmie Wade, 40, of 7150 Stowe Circle.

The charges allege Wade sent notes to the three boys promising them money if they would perform acts of sodomy. One letter allegedly promised varying amounts of money, depending upon the acts of sodomy the boy performed.

The notes were allegedly given to the boys between Jan. 18 and Jan. 24.
